

To: All River Valley School District BIDDERS

On behalf of River Valley School District and Cordogan Clark, we want to thank you for taking the time, effort, and resources in providing a bid this week on the **River Valley School District School Consolidation Project**. Currently, we are working with the Owner and Architect to review the bids, budget, and developing a plan and path forward which aligns scope, budget, and schedule. We will be in contact with Bidders next week to schedule Pre-Award Conferences and discuss possible Value Engineering strategies.

Again, we thank you for your bids and we look forward in working with you on this project.
